

Let's Talk Youth Work

An opportunity for young people in Wales to talk about youth work with the new Interim Youth Work Board for Wales

My name is Keith Towler and I am the Chair of the new Interim Youth Work Board for Wales.

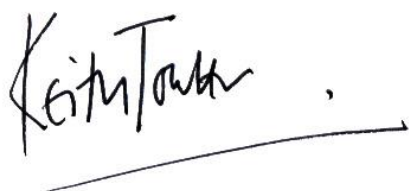

The role of the Youth Work Board for Wales is to advise Welsh Government on how youth work services across Wales can work for all young people.

It is really important to me and the Board that young people have a central role in helping to shape how youth work services in Wales work. To do that I want to begin a discussion with you so that the Board can hear what you have to say.

We have produced some starter questions to get the discussion going. I hope that you will want to take part so I have asked youth workers across Wales to help give young people the chance to get involved and to say what's important. The youth workers will record everything and send your comments back to me and the Youth Work Board.

I promise that we will read through all the returns very carefully and will get back to you on our next steps. This just marks the beginning of an on-going discussion with you ... so **Let's Talk Youth Work!**

Many thanks,
