

WREXHAM COMMUNITIES FOR WORK PLUS

ENGAGEMENT TOOLKIT

Collaborative Working

The aim of Wrexham Communities for Work Plus (CFW+) is to create a more employable Wrexham for all and we would like your help to support us to achieve this.

With your help we want to encourage job seekers in Wrexham to sign up to the programme to give them the skills and confidence they need to secure their next job.

Our partnership with you is vital to delivering messages across the whole of Wrexham, and we thank you for your support.

This toolkit contains everything you need to get involved and increase awareness about the services which we offer.

Wrexham Communities for Work Plus outcomes during the Covid Pandemic

During the Covid Pandemic, the team at Wrexham Communities for work Plus quickly adapted to working from home and continued to support new and existing clients through video calls, phone calls, texts and emails.

We worked with our training providers to continue running a variety of quality courses virtually and online.

Our participants who did not have IT equipment at home were able to make use of our laptop loan scheme through Digital Communities Wales.

During times of uncertainty, we are proud to have obtained the following outcomes.

429

People received employment support

151

participants gained employment

84

participants gained a recognised qualification

"Communities for Work Plus have not only helped me achieve something I could only dream by getting both FLT licenses, but between Julie and Tristan I have now got a full time job."

Who are we and what do we do?

Wrexham Communities for Work Plus are a dedicated team of highly skilled staff who are able to support people living within the whole of Wrexham by providing one-to-one mentoring which is tailored to suit individual needs.

We are able to offer support and advice relating to

Essential skills

Education & training

Digital skills Interview tips and techniques

CV & job application support

Motivation & Confidence

Advice for becoming Self Employed

and so much more.

Take a look at a video of some of our previous clients to find out how we have supported them by clicking [HERE](#)

or....
